This PDF summarizes the two main enrollment products promoted on our site: the **online ENHANCE VITAL ENERGY Program** (Biomagnetism and Beyond Level I & II) and the **Level 1 & 2 in-person seminar** scheduled for **September 14–18, 2026** in Union, New Jersey.

Dr. Luis Garcia has taught biomagnetism for over 17 years, covering 320+ biomagnetic pairs, muscle testing, and hands-on clinical protocols. No medical prerequisites are required — the program is open to healthcare professionals, wellness practitioners, and motivated learners worldwide.

2. What Is Biomagnetism Therapy?

Biomagnetism therapy (biomagnetic pair therapy) is a complementary wellness method that places pairs of medium-strength magnets on specific points on the body. Practitioners describe the goal as supporting the body's natural pH balance so it can recover more easily on its own.

- **Non-invasive** — magnets are placed over clothing; no injections or surgery.
- **Educational focus** — training teaches muscle testing, pair placement, and session flow.
- **Not a medical treatment** — it is a wellness complement; always consult your physician for health conditions.
